Carly Daley

Carly Daley

Specialist Neurological Occupational
Therapist

Ingleby Barwick, Stockton on Tees

07990454808

carly.daley@lac2009.uk

PROFESSIONAL QUALIFICATIONS

- + BSc (Hons) Occupational Therapy, Teesside University, 2008

PROFESSIONAL MEMBERSHIPS

- + Health and Care Professions Council
- + British Association of Occupational Therapists

I qualified as an Occupational Therapist in 2008 and have worked in a variety of specialist neurological clinical settings. I have worked with people with acquired brain injuries across their whole rehabilitation pathway. These settings include; neuro-HDU, neuro-acute, neuro-rehabilitation in both Level 1/2a and 2b facilities and community rehabilitation

Since 2015, I have specialised in working in community settings with people who have acquired brain injuries. I have developed specialist skills in; cognitive rehabilitation, fatigue management, vestibular rehabilitation and vocational rehabilitation. I have also developed skills and a special interest in the assessment and treatment of mild head injury.

I am experienced and proficient in working with other professionals and a wide range of agencies to facilitate effective and co-ordinated community rehabilitation. Using a transparent and approachable manner I am able to effectively communicate with clients and their family/carers to build a positive and collaborative therapeutic relationship.

I have extensive experience of working within complex and challenging situations. My commitment to Continued Professional Development enables me to utilise appropriate therapeutic interventions supported by robust clinical reasoning and evidence-based practice. I enjoy using my analytical and reflective skills in order to adapt therapy interventions to suit each client's individual needs and create tailored rehabilitation with clear intervention plans.
